Job Type:	Full Time
Job Title:	A&P Mechanic

Job Description:

A&P mechanic wanted. Located in Casa Grande, AZ, no two days are the same. 21 aircraft in the fleet. You will work on Single Engine Air Tankers, ag planes, turbine twins, WWII fighters, and everything in between. Holidays and 21 days PTO to start, salary dependent on experience (minimum starting $37/hour up to $45/hour after a year), and healthcare and relocation allowance. Maintenance department has its own response aircraft and will provide pilot training for committed mechanics. Company sponsored Air Tractor factory maintenance school and PWC factory PT6 school. Pathway and opportunity for advancement and supervisory roles available for motivated mechanics. Casa Grande has a good quality of life, affordable cost of living, 45 minute drive to a metro area, and no snow. Hot in the summer, but the winters make up for it!
