Listing details

Operations Title: Wanted: Established Aerial Application Business

Description:
Established Aerial Application Company Seeking Acquisition

A well-capitalized, experienced agricultural aviation company is seeking to acquire an established aerial application business in the Upper Midwest.

Ideal Candidate:

1–2 turbine aircraft operation
Located in North Dakota, South Dakota, or Minnesota (other Upper Midwest locations will be considered)
Strong reputation and established customer relationships
Stable business with recurring clientele
Owner interested in retirement, succession planning, or reducing operational responsibilities

We understand that every operation is unique and are flexible in structuring a transaction that meets the seller's goals. Our objective is to preserve the business, take care of employees and customers, and continue building on the company's legacy.

All inquiries will be handled with the strictest confidence.

Interested owners or advisors may respond with a brief description of the business. A confidentiality agreement can be executed prior to the exchange of detailed information. Email inquiries to blindads@agairupdate.com, Subject: ID#12237
