Description:

1998 500 GAL Grumman G164B Ag Cat ZK-WTA. This exceptional Grumman Hershey B Model Ag-Cat delivers proven agricultural performance with a complete airframe rebuild in 2013 and a fresh March 2025 repaint. With 18,612 total airframe hours and a recently overhauled Pratt & Whitney PT6-34 engine, this single-seat sprayer is ready for immediate operation at USD $480,000. Serial Number 39B, this Grumman Hershey B Model represents a fully restored and modernized agricultural platform. The complete airframe rebuild completed in 2013, combined with the Hershey Wings installation and the March 2025 wing leading edge repaint, demonstrates meticulous maintenance and operator commitment. This aircraft is equipped with a 500-gallon hopper system and modern avionics for efficient and precise application work. Total airframe hours: 18,612.38. Stainless Steel Fabricators spreader system included. Pratt & Whitney PT6-34 engine with 3,767 hours since new. 10 hours since HSI inspection. Engine overhauled and maintained to premium standards.
