Job Title: HIRING HELICOPTER SPRAY PILOT

Job Description:

HIRING HELICOPTER SPRAY PILOT

RC Aviation, Inc. (formerly B&S Air, Inc.) is looking to hire an experienced Ag Pilot for the 2026 season and beyond. This could be a full-time/long-term seat for the right candidate. We operate some of the finest OH-58s and Long Rangers in the Industry and have a second-to-none maintenance program. We have long-standing customer relationships in the forestry and row crop markets. Our season runs from beginning of February-November 1st (a shortened season may be an option for the right candidate.) This is a high-producing seat with great earning potential.

Required Experience

- 1200 Hrs forestry spray experience
- 1000 Hrs of turbine spray time
- Ag Fungicide spraying experience is a plus
- AG Nav experience (Currently running Titanium's)

Please contact us with any questions.
