Engine Model:	PT6-15
Total Time Engine:	9,820
Time Since Hot Section:	1,142

Description:

1997 AT402B-15, N5006K. Clean, well-maintained, good-looking Midwestern aircraft. TTAF 7637, PT6-15, TTE 9820, 3765 SIRAN, 1142 SHSI, Wing spar not due until 13,673 TT or 6036 hrs remaining. It was refurbished 3700 hrs ago by Georges. This included hopper, new paint with SS fasteners, new windshield and door glass, and skins replaced as needed. Satloc Bantam, Lane brake, Hatfield, Reabe hopper gauge, AmSafe Airbags, Storm Cutters, and VG's. This is a good flying load hauler and was the favorite of my fleet. The only reason I am selling is because I recently moved into 602s and unfortunately no longer need her. Logs upon request. It is in getting a fresh annual with all new landing gear. $450K Call or text Waylon Woods at 308-224-6720, or waylon@woodsaviation.com.
