Listing details

Job Type: Full Time
Job Title: Fixed Wing and/or Helicopter Pilot Wanted
Job Description:

We are looking for a fixed-wing pilot and/or helicopter pilot. We are located in Northern California. Most of our fixed-wing work is seeding, fertilizing, and dry and wet herbicides on rice. Dry work experience is preferred. Our helicopter work is mostly orchards. We operate AT-602's, Ag Cats and UH-1H. We offer excellent benefits for full-time employees. This could be a seasonal position as well. We can help with travel expenses, lodging, and or relocating. Email Alex at alex@avag1.com

Willingness to Travel: Willing, Unwilling, Sometimes
Language Proficiency: English
